## ORDER

Based on the record and the agreement of the parties, the Board has jurisdiction over these timely appeals. The Department secure message dated January 23, 2023, determination dated May 1, 2023, and letter determination dated June 13, 2023, are reversed and this matter remanded to the Department with direction to:

1. Authorize ongoing services by a Nurse Case Manager for as long as is medically necessary,
2. Reimburse the costs of the wheelchair with gun mount that is the subject of its May 1, 2023 letter determination, and
3. Authorize chronic opioid therapy, inclusive of an implantable drug delivery system.

I certify that this is a true and accurate report of proceedings.

Dated: December 11, 2023, at Vancouver, Washington.
